RE: MARLEX® Polyethylene, SVHC, Intended Release

Dear Customer,

Based on current and available information, the product MARLEX® Polyethylene does not contain any Substances of Very High Concern (SVHC) as listed on the candidate list published by ECHA as of 27 June 2018. Please find the total list of 191 substances with the inclusion date when they were published by ECHA on the following link: <http://echa.europa.eu/candidate-list-table>

MARLEX® Polyethylene does not contain substances with intended release and none of its components are included in Annex XVII of REACH (Restriction List).

If you have any further questions, please contact me directly or send your query to REACH@cpchem.com.

Sincerely,

Maria Ramirez, MSc
