RE: MARLEX® Polyethylene, SVHC, Intended Release

Dear Customer,

Based on current and available information, the product MARLEX® Polyethylene does not contain any Substances of Very High Concern (SVHC) as listed on the candidate list published by ECHA as of 25 June 2020. Please find the total list of 209 substances with the inclusion date when they were published by ECHA on the following link: <http://echa.europa.eu/candidate-list-table>

MARLEX® Polyethylene does not contain substances with intended release and does not contain substances restricted under REACH Annex XVII (Restricted Substances List) or subject to authorization under REACH Annex XIV (Authorization List).

If you have any further questions, please contact me directly or send your query to REACH@cpchem.com.

Sincerely,

Gerson Martin, PhD
