RE: MARLEX® Polyethylene, SVHC, Intended Release & UK Reach information

Dear Customer,

Based on current and available information, the status of substances in specific MARLEX® Polyethylene products as relates to EU REACH regulation 1907/2006/EC regarding Substances of Very High Concern (SVHC), remains unchanged as of the most recent update to SVHC candidate list, 23 January 2024. Each MARLEX® Polyethylene product SVHC status is designated in their respective Product Regulatory Overview (PRO) document available via the link below. Please refer to this letter as the most recent date for the review of product status for Substances of Very High Concern (SVHC) as listed on the candidate list published by ECHA. Please find the total list of 240 substances with the inclusion date when they were published by ECHA on the following link: http://echa.europa.eu/candidate-list-table.

With respect to the United Kingdom (UK) REACH, CPChem has appointed an Only Representative (OR) and will make the registration on behalf of its customers/importers. Notifications of polyethylene (PE) monomers have been made following the guidance provided by the UK HSE (Health and Safety Executive).

If you have any further questions, please send your query to chemcompliance@cpchem.com
